

Founding semester

The following shows how a founding semester can be applied for. In this semester, which every student can apply for at the Student Administration Office, founders can further develop their ideas.

Foundation consulting

Presentation of the start-up idea + submission of a business plan (5-10 pages). In consultation, it will be determined which evidence is to be provided after the start-up semester.

Student Administration Office

Application to the Student Administration Office for leave of absence.

Deadlines:

Winter semester: until 01 October

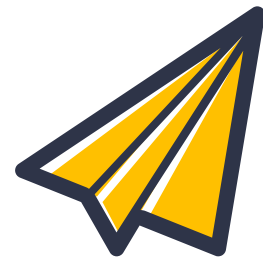

Summer semester: until 01 April

The reason for leave of absence is the implementation of the founding idea.

Statement

The Student Administration Office obtains an opinion from the Foundation Counseling Service on the case in question. If the opinion is positive, the application is approved.
